## **Annual Parish Meeting**

Parishioners are invited to attend the Annual Parish Meeting which is the chance to meet the council and discuss any issues or concerns.

**This is not a formal council meeting and will be an opportunity for the Parish Council to present their ideas for a 5-year plan.**

This is not as stuffy as it sounds!

**We want all members of the village to engage and get involved in the many projects that we hope to work on over the next 5 years.**

Mobile Connectivity

Planning

Youth provision

S106 working party for a path from the Car Park to the playground and tennis courts

Winter resilience

Open green spaces

Community events

If you would like to find out more, or feel you have something to offer on any of these topics, or have a new topic to add, please join us and let's hear from you.

**There will also be refreshments available**
